Welcome Note

Dear Colleagues,

On behalf of the Scholar Summit Organizing Committee, it is our pleasure to welcome you to the Global Congress on Forensic Science & Research, taking place in Dubai UAE, on March 5-7, 2026.

This meeting brings together forensic scientists, researchers, law enforcement experts, and industry leaders from around the world. Our aim is to create a platform where ideas are exchanged, collaborations are built, and the latest advancements across all branches of forensic science are shared.

We invite you to engage actively in the sessions, explore Singapore's vibrant culture, and be part of shaping the future of forensic science.

With warm regards,

Scholar Summit Organizing Committee

Associate Dean & Professor of
Cybersecurity & Digital Forensics
University of New Haven, USA

PROF. BALBIR KAUR

Dean, School of Forensic Science
National Forensic Sciences University,
India

Conference Topics:

1. Forensic Science – Foundations & Frontiers
2. Crime Scene Investigation (CSI) & Evidence Management
3. Forensic DNA Analysis & Genomic Advances
4. Fingerprint Identification & Biometric Forensics
5. Forensic Anthropology & Human Remains Analysis
6. Forensic Toxicology & Drug Analysis
7. Forensic Pathology & Autopsy Sciences
8. Ballistics & Firearm Forensics
9. Forensic Psychology & Behavioral Sciences
10. Digital Forensics & Cybersecurity Investigations
11. Cybercrime Investigation & AI-Driven Policing
12. Forensic Entomology & Time-of-Death Estimation
13. Trace Evidence & Material Analysis (Fibers, Glass, Soil)
14. Bloodstain Pattern Analysis & Crime Reconstruction
15. Forensic Chemistry & Analytical Techniques (GC/MS, LC-MS)
16. Legal Medicine & Courtroom Applications
17. Facial Reconstruction & Craniofacial Identification
18. Forensic Odontology & Dental Evidence
19. Post-Mortem Imaging & Virtual Autopsy (Virtopsy)
20. Document & Handwriting Examination (Forgery & Counterfeits)
21. Forensic Genetics & Next-Generation Sequencing (NGS)
22. Wildlife Forensics & Environmental Crime
23. Explosives & Forensic Ballistics
24. Environmental Forensics (Pollution, Contamination, Climate Crimes)
25. Taphonomy & Decomposition Studies
26. Forensic Radiology & Imaging Technologies (CT/MRI)
27. Crime Reconstruction & Scene Simulation (3D/VR)
28. Forensic Linguistics & Voice/Language Profiling
29. Artificial Intelligence in Forensics (AI/ML Applications)
30. Forensic Ethics, Standards & Global Legal Challenges

Singapore – City Highlights

Dubai is a global business, innovation and tourism hub, blending futuristic skyline, cultural heritage, and excellent connectivity. Known for its cosmopolitan spirit, world-class infrastructure, and hospitality, Dubai offers a compelling destination for an international scientific congress

Participants can explore iconic landmarks (Burj Khalifa, Palm Jumeirah, Dubai Creek), enjoy luxury tourism and desert safaris, as well as benefit from ease of international travel and visa support in the UAE.

Our in-person sessions will be hosted at the Dubai International Convention & Exhibition Centre (DICEC / DWTC complex) in downtown Dubai. This venue offers over one million square feet of flexible event space, multiple exhibition halls, grand ballrooms, and numerous breakout meeting rooms.

Sheikh Maktoum Hall (3,589 m²) and Al Mutaqqa Ballroom (1,000 m²) are among the key halls configurable for large plenaries and parallel tracks.

The venue is equipped with state-of-the-art audiovisual systems, robust connectivity, and logistical support ideal for hybrid conferencing.

Moreover, the location is central to Dubai's business district, offering easy access to hotels, public transport, and airport links. This combination of capacity, technology, and accessibility made DICEC/DWTC a natural choice for a premier global event in forensic science.

✈️ Dubai, UAE combines cutting-edge science, cultural richness, and global hospitality – making it the perfect setting for Scholar Summit 2026.

THANK YOU
