

Scholar Summit
Connecting Global Minds, Advancing Academic Excellence.

Global Congress on Forensic Science & Research Dubai, March 5-7, 2026.

Welcome Note

Dear Colleagues,

On behalf of the **Scholar Summit Organizing Committee**, it is our great honor to welcome you to the **Global Congress on Forensic Science & Research**, taking place in **Dubai, March 5-7, 2026**.

This gathering brings together leading forensic scientists, researchers, academicians, law enforcement experts, and industry professionals from around the world. Our vision is to create a vibrant platform where **science meets practice**, where innovative ideas are exchanged, and where new collaborations are forged.

Over the next three days, you will experience a diverse and stimulating program that includes **plenary lectures, keynote talks, scientific sessions, poster presentations, and networking opportunities**. Topics will cover the broad spectrum of forensic sciences—spanning **crime scene investigation, forensic DNA analysis, toxicology, anthropology, digital forensics, and the emerging role of AI in forensic science**.

We are confident that this congress will serve not only as a place to **share research and practical advancements**, but also as a catalyst for new collaborations that will shape the future of forensic science globally.

Singapore, with its rich culture, modern infrastructure, and world-class hospitality, provides the perfect backdrop for this international meeting. We encourage you to explore its **unique attractions, vibrant heritage, and culinary delights** alongside your participation in the sessions.

We thank you for joining us and contributing to the success of this event. Together, let us strengthen the global forensic community and advance the pursuit of truth through science.

With warm regards,
Scholar Summit Organizing Committee
Global Congress on Forensic Science & Research 2026
